

RTL PCD up/down shear router cutter

The RTL PCD spiral is an exceptionally strong, up/down shear durable router cutter.

Powerful, heavy-duty, hard wearing, lifelong, superb component finish.

Price each

£76.59

- ✓ Polycrystalline Diamond (PCD) is one of the hardest materials known. It's wear resistance allows tools to cut significantly longer than carbide.

**Buy 3 or more:
each**

£68.94

- ✓ Exceptionally long production runs between servicing. Overall costs are reduced through extended tool life and reduced downtime.

Up/down shear action

1/2" Cutting diameter

25mm Length of cut

1/2" Shank diameter

- ✓ Heavy duty plunge tip, optimum cutting geometry and PCD tip design ensures more efficient machining.

- ✓ Superior component finishes can be achieved against conventional tooling.

In stock

Same day / next day delivery

Order code: RTL-PCD1/2-25-1/2

- ✓ Re-sharp service available using the same manufacturing geometries to produce a good as new cutter.

Materials: MDF, Laminated / veneered boards, plywood, hard & soft timber and chipboard.
